## ORDER OF EXERCISES

### PROCESSIONAL

#### America, the Beautiful

Oh beautiful for spacious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

Oh beautiful for patriot dream  
That sees beyond the years  
Thine alabaster cities gleam  
Undimmed by human tears!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

This program is not an official university document and does not constitute a certification that all of those whose names appear here have actually completed degree requirements.

The present Chapel of Saint Francis, which was dedicated by Bishop Anthony Pilla on December 10, 1987, stands on footings intended for the "Bishop's Chapel," on the new campus, in 1935. Cut limestone was ordered for that chapel. It was never completed, and the limestone was lost, destroyed, buried. During excavations for the recreation complex, two stones came to light. They represent Augustine of Hippo, Hildegard of Bingen, Thomas Aquinas, Catherine of Siena, Ignatius of Loyola, and Pope Pius XI (the pope reigning when John Carroll's new campus was being prepared).

These six survived from the dreams and the stones of fifty years ago. They were learners and teachers; they were men and women; they were clerical, religious, and lay; they took learning seriously, and were familiar with God in prayer. From their new eminence in the atrium, may they survey and bless the comings and goings of their sons and daughters at John Carroll University, as they grace the program of this commencement.
